

Do not expand LPFM interfere with my local broadcast of KLOVE. That station provides a service to my community and family. They are a powerful and positive influence on people's lives. KLOVE provides an excellant ministry to all who can pick up their cannal. Please do not displace Klove WITH AN LPFM broadcaster that would not provide for the same level of programming that KLOVE provides. They touch so many lives for the better and you would be doing a great disservice to many by enacting the proposed rule changes in this regard.

Thank you,
